

# **Greenfield Creek Board of Directors Election Year 2025 Voting Ballot**

**(The nominees are listed in the order in which nomination forms were received.)**

**Please select 4 (four)** of the following nominees for 2025 and 2026:

<p><b>Don Bull</b></p> <input data-bbox="375 346 492 443" type="checkbox"/>	<p>We have lived in Greenfield Creek for 23 years. It has been my pleasure to serve on the POA board for the last two years, in the role of Secretary. I retired from NIPSCO in 2022 where I served in manager and director roles. I currently work part time as a consultant to an engineering company in Chicago. This experience allows me to contribute in a meaningful way when contracting our neighborhood services, working with the city, and maintaining the neighborhood infrastructure. I appreciate the qualities that make Greenfield Creek a unique neighborhood in Valpo. Serving on the board offers an opportunity to contribute to maintaining the qualities that we all enjoy. I appreciate the opportunity to work with the other board members and neighbors.</p>
<p><b>Rarick Witvoet</b></p> <input data-bbox="375 625 492 722" type="checkbox"/>	<p>I have lived in Greenfield Creek for the past 15 years and have experience serving on previous GFC POA boards. I have been Vice-President of the POA board for the past two years. One of my responsibilities was leading the repairs for the pond 1 fountain. In addition to serving on the current board, I have been in leadership roles in my church parish. I deeply care about our neighborhood and have raised six children in Greenfield Creek. I see the turnover to the next group of young families in our neighborhood and want to foster this for years to come. I want to keep continuity on the board because we have four open positions this year and believe that, with my experience, I can contribute to that if I serve another term. Thank you for your consideration.</p>
<p><b>Mike Kozik</b></p> <input data-bbox="375 932 492 1029" type="checkbox"/>	<p>I have lived in Greenfield Creek for 25 years and have always been grateful for how wonderful a neighborhood it has been to raise my three children. I served on the GFC board three different times during the 2000s. For the first 15 years of living here, I coordinated with NIPSCO for electricity, personally installed the panel box at the gazebo, trenched the wires, and installed the two pond fountains, including maintaining and pulling out the fountains in the winter for 13 years. I am a retired Marine Corps Colonel and know how to get things done. This is our retirement home so I am excited to have the time once again to devote to the board and will work tirelessly to improve this fantastic neighborhood.</p>
<p><b>Dave Buhner</b></p> <input data-bbox="375 1228 492 1325" type="checkbox"/>	<p>Our family has been a part of the GFC community for 10 years; 6 of which I previously served on and worked with the GFC Board on a number of projects. I've held the position of Secretary and met with contractors and city employees to get GFC contract bids. You may have seen me walking through our neighborhood most days (in good weather), including delivering GFC documents to your mailbox. I am a team player with a proactive mindset who believes in maintaining a high-quality neighborhood. Now that I'm retired, I can devote time and experience to our neighborhood's current and future needs by attending meetings and following tasks through to completion. I'd appreciate the opportunity to be on the board again.</p>
<p><b>Tony Minkalis</b></p> <input data-bbox="375 1514 492 1610" type="checkbox"/>	<p>My family and I moved to Greenfield Creek in summer, 2019. I have a wife and 9 yo daughter. I am a career firefighter/paramedic. I have served as the union president at my department for the last 6 years. I hope to bring much needed changes to our community, if elected to the HOA board. I believe my experience working with colleagues and administration within the Village can serve a strong purpose in connecting our board with the community which we live. It has offered me experience with negotiating, grant writing, and communication. I have many ideas to bring our neighbors together in Greenfield Creek. I look forward to meeting everyone!</p>
